

Some bright spots amid challenges

There were no surprises in Etteplan's Q2 figures, since the company earlier issued a profit warning and disclosed preliminary numbers. Although the figures were weak as expected, profitability was impacted by NRIs. In addition, on a positive note, the company made strong progress in growing its share of AI-related net sales.

- Net sales in Q2 were EUR 91.4m (Evli est. EUR 91.4m, EUR 92.6m in Q2/24), revenue decreased by 1.3% as organic net sales decreased by 6.8% (at comparable FX).
- EBIT in Q2 amounted to EUR 4.4m (Evli est. EUR 4.4m, EUR 5.3m in Q2/24), at a margin of 4.8%.
- The combined effect of NRI's on EBITA and EBIT was EUR -0.9m for the quarter. Considering the sluggish demand picture, the company has been able to retain its profitability rather well on an adjusted basis.
- EPS in Q2 amounted to EUR 0.10 (Evli est. EUR 0.10, EUR 0.13 in Q2/24) as there were no surprises in financial expenses and taxes.
- Net sales in Engineering Solutions in Q2 were EUR 51.6m (Evli est. EUR 50.1m), EBITA in Q2 amounted to EUR 3.9m (Evli est. EUR 3.6m).
- Net sales in Software and Embedded Solutions in Q2 were EUR 21.5m (Evli est. EUR 23.8m), EBITA amounted to EUR 1.6m (Evli est. EUR 1.5m). Profitability was surprisingly high compared to nearly 14% net sales decline.
- Net sales in Technical Communication and Data Solutions in Q2 were EUR 18.4m (Evli est. EUR 17.4m), EBITA amounted to EUR 0.8m (Evli est. EUR 1.0m). Although the company grew AI-driven service sales, profitability remained weak.
- Guidance 2025 (**lowered prior to the Q2 report**): Revenue is estimated to be EUR 365–385m (prev. EUR 365–395m), EBIT EUR 19–24m (EUR 23–28m).

Important Disclosures

Evli Research Partners Plc ("ERP") uses 12-month target prices. Target prices are defined by utilizing analytical techniques based on financial theory including (but not limited to) discounted cash flow analysis and comparative valuation. The selection of valuation methods depends on different circumstances. Target prices may be altered on the basis of new information coming to light in the underlying company or changes in interest rates, changes in foreign exchange rates, other securities prices or market indices or outlook for the aforementioned factors or other factors that may change the conditions of financial markets. The valuation assumptions used are sensitive to changes and can significantly affect fair values. A change of a single percentage point in any used assumption could affect fair values by more than +/-20%. Recommendations and changes by analysts are available at [Analysts' recommendations and ratings revisions](#).

Investment recommendations are defined as follows:

Target price compared to share price

< -10 %
-10 - 0 %
0 - (+10) %
> 10 %

Recommendation

SELL
REDUCE
ACCUMULATE
BUY

ERP may temporarily suspend the rating and, if applicable, the target price to comply with regulations and/or firm policies, in which case a NOT RATED classification is used.

ERP's investment recommendation of the analyzed company is updated at least 2 times per year.

The graph above shows the distribution of ERP's recommendations of companies under coverage on the 16th of May, 2025. If recommendation is not given, it is not mentioned here.

Name(s) of the analyst(s): Atte Jortikka

This research report has been prepared by Evli Research Partners Plc ("ERP" or "Evli Research"). ERP is a subsidiary of Evli Plc. Production of the investment recommendation has been concluded on 29.07.2025, 8:20. This report has been published on 06.08.2025, 13:40.

None of the analysts contributing to this report, persons under their guardianship or corporations under their control have a position in the shares of the company or related securities.

The date and time for any price of financial instruments mentioned in the recommendation refer to the previous trading day's closing price(s) unless otherwise stated in the report.

Each analyst responsible for the content of this report assures that the expressed views accurately reflect the personal views of each analyst on the covered companies and securities. Each analyst assures that (s)he has not been, nor are or will be, receiving direct or indirect compensation related to the specific recommendations or views contained in this report.

Companies in the Evli Group, affiliates or staff of companies in the Evli Group, may perform services for, solicit business from, hold long or short positions in, or otherwise be interested in the investments (including derivatives) of any company mentioned in the publication or report.

According to ERP's best knowledge, the issuer(s) of the securities does/(do) not hold in excess of 5% of the total issued share capital of the issuer(s).

Neither ERP nor any company within the Evli Group have managed or co-managed a public offering of the company's securities during the last 12 months prior to, received compensation for investment banking services from the company during the last 12 months prior to the publication of the research report.

ERP may pursue an assignment from the issuer(s) of the financial instruments mentioned in the recommendation or this report. These assignments may have a limited economic or financial impact on ERP and/or Evli. Under such assignments ERP may perform services including, but not limited to, arranging investor meetings or –events, investor relations communication advisory and production of research material.

ERP has signed an agreement with the issuer of the financial instruments mentioned in the recommendation, which includes production of research reports. This assignment has a limited economic and financial impact on ERP and/or Evli. Under the assignment ERP performs services including, but not limited to, arranging investor meetings or –events, investor relations communication advisory and production of research material.

ERP or another company within the Evli Group does not have an agreement with the company to perform market making services.

Evli Group's Member of the Board Robert Ingman is a Member of the Board of the company.

For the prevention and avoidance of conflicts of interests with respect to this report, there is an information barrier (Chinese wall) between Investment Research and Corporate Finance units concerning unpublished investment banking services to the company. The remuneration of the analyst(s) is not tied directly or indirectly to investment banking transactions performed by Evli Plc or any company within Evli Group.

This report has not been disclosed to the company prior to its dissemination.

This report is provided and intended for informational purposes only and may not be used or considered under any circumstances as an offer to sell or buy any securities or as advice to trade any securities.

This report is based on sources ERP considers to be correct and reliable. The sources include information providers Reuters and Bloomberg, stock-exchange releases from the companies and other company news, Statistics Finland and articles in newspapers and magazines. However, ERP does not guarantee the materialization, correctness, accuracy or completeness of the information, opinions, estimates or forecasts expressed or implied in the report. In addition, circumstantial changes may have an influence on opinions and estimates presented in this report. The opinions and estimates presented are valid at the moment of their publication and they can be changed without a separate announcement.
